2. Find and enrol in Australian Leader courses

- i. After receiving the email confirming your Award Community activation, return to www.awardcommunity.org and select 'Log in'. Enter the username and password that were submitted in the registration form.

- ii. From the menu bar at the top of the page, select 'Award Course List'

- iii. On the Award Course List page there are two videos you can watch to get you familiar with the platform. We recommend watching both videos to understand the process.
 - How to start a new [training] course
 - How to complete a [training] course

- iv. Under the two videos, there is drop down list for 'Categories'. Select 'Australia' to bring up only the training courses relevant to the Duke of Ed in Australia.

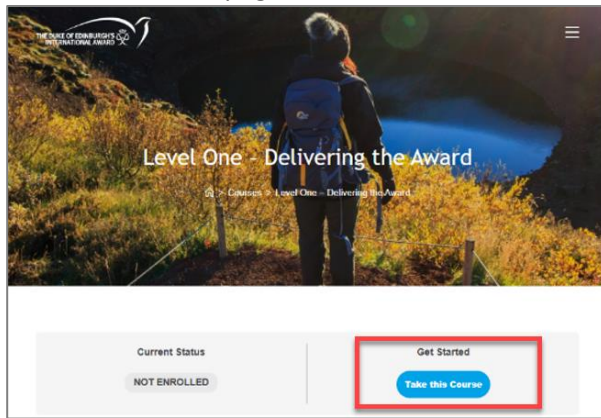

For new Leaders, the two courses requiring completion are:

- Level One – Delivering the Award – Australia
- Online Record Book (ORB) for Leaders

- v. Click the blue 'Enroll Now' button to enrol in a course (note: US spelling for enrol used on the button).

The two training courses marked with are for new Duke of Ed Leaders. 'Australia Module' is a standalone module for Leaders who have undertaken the foundational level one course prior to 2025

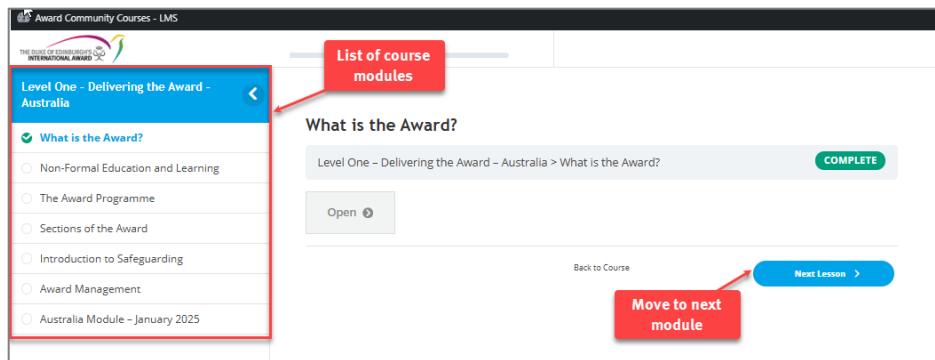

- vi. On the enrolment page, click on the blue 'Take this Course' button.

As you progress through the course, you may pause after the end of any section and your work will be saved. If you have not fully completed a section, you must redo the entire section if you exit the course or log out.

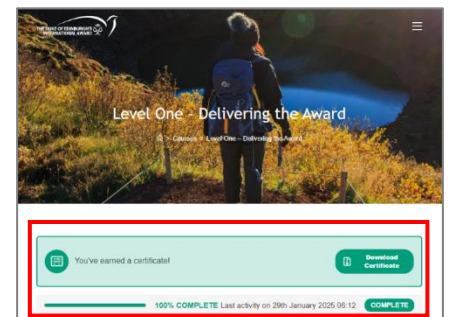

The courses should take about two hours each to complete.

- vii. There is a quiz at the end of each section. Successful completion of these allows you to progress to the next course module.

- viii. After completing the quiz for each course module, follow the instructions to exit and mark the module as complete.

- ix. After completing the final section of a course, the main page will update to show you've successfully completed. You are also able to download a Course completion Certificate if you wish.
- x. Your Award Operating Authority (i.e. licensing body) will separately confirm your course completion via their administration access.

For more information about starting and finishing courses, please watch the videos on the 'Award Course List' page – see point iii above.

For any questions about the training courses, contact your Operating Authority (most often State/Territory [Duke of Ed offices](#))
